

# 2017 UAccess Symposium

## Instructions and Links for Live-Streaming Presentations

### Live Streaming Instructions:

- Google Chrome or Mozilla Firefox browsers are recommended for the best streaming experience.
- In order to view streaming video, users must have **Microsoft's Silverlight** installed.
  - Install Silverlight from here: <http://www.microsoft.com/getsilverlight/get-started/install/default.aspx>
- For each presentation listed below, you will see two links. Please use the first link. The second, or backup, link should only be used in case of any technical difficulties, or if you don't see anything within the first two minutes of the presentation.

### Q & A:

If you want to ask questions during the Q&A portion of each presentation, log in with your NetID.

1. Click on the streaming link listed for the presentation.
2. Click the Sign In link located on the top right of the screen.
3. Select UA NetID from the dropdown menu.
4. Ask the questions in the Questions area. If you post to the comments or notes area, your questions will not be seen. Questions pop up in the bottom right hand corner for the presenters to see, which can cause a distraction. Please postpone all questions until invited by the presenter.
